

EDUCATOR WORKSHOP IN CUBA

February 20 - 27

April 17 - 24

Escape the cold winter and earn 3 recertification credits in the tropical warmth of Havana learning about Cuba's educational system. We will host two trips for this workshop that will include visits to elementary, middle and secondary schools as well as a fine arts high school. We will meet with Cuban educators and high school students to learn about their experiences.

In addition to visiting several schools the trip will include visits to:

- *An community cooperative organic farm outside of Havana
- *A dance performance by Havana Compás Dance company
- *Walking tour of old Havana
- *Private guide led tour through the Museum of Fine Arts - Cuba collection
- *Fábrica de Arte Cubano(evening) a contemporary cultural, arts, music and food center which was voted by Time magazine as one of the top 100 places to visit
- *Visit a neighborhood medical clinic
- *Almacenes de San Jose a multi level warehouse on the harbor turned into a hub for

artists, souvenir, and private business operations

- * All breakfast and lunch, transportation and entrance to events are included along with one evening meal

Workshop cost

\$2600 is total workshop costs of which \$1700 can be billed for professional development reimbursement if contract allows. Airfare not included
